

Application No. 10/807,085

Reply to Office Action

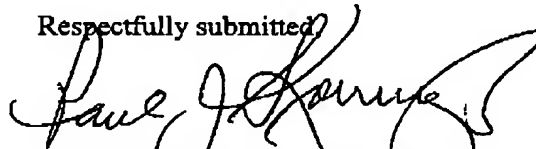

REMARKS

The Office Action dated July 12, 2005 has been carefully considered. Applicants apologize for inadvertently omitting that claims 24 and 28-32 were being canceled in the Amendment dated April 21, 2005. Pursuant to discussions with Examiner Fox this morning and in compliance with 37 CFR 1.121, this Response supplies the corrected section only of the non-compliant amendment by listing the status of each of claims 1-69. The remainder of the Amendment of April 21, 2005 will not be repeated herein.

CONCLUSION

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
